"Achievement for All in a Caring Christian Community"

Spring 2018 Newsletter 9

Monday 26th March

Dear Parents,

School Photographs

We will be having our whole school, school group photographs on Tuesday 27th March. Please send your children into school in their correct school uniform.

Easter Service

This year's Easter R/KS1 and KS2 services will take place at Wincle School and also include a morning of Easter crafts, refreshments and activities for the pupils of both schools, not to mention an Easter egg hunt!

It will all take place on Wednesday 28th March, from 9:30am until 11:30am.

Bosley pupils will come to Bosley School as usual and will all travel together with their teachers to Wincle School, and back, by coach which will be leaving just after 9am so it is important that your child is not late for school. We will be back at Bosley before lunchtime.

Parents are invited to join us at Wincle School for the morning.

PTA News

Easter Bingo

We raised £114 at the Easter Bingo. The children and parents had a night of egg-sitting and enjoyed our refreshments kindly made by Carol Lee and Sylvia. Thank you to all who joined us.

Next Meeting

Our next PTA meeting will be on Friday 27th April, 3:15pm at school. For parents attending the children will receive free after school club.

All parents are welcome to come to the meeting. Refreshments will be provided.

Dates for your diary

18th May - Beetle Drive 3:30pm

19th July - Leavers Disco 6 - 7:30pm

Drink Bottles

We encourage the children to keep hydrated throughout the day. Please would you ensure that your child's water bottle is taken home and refreshed at the end of each day. Also, in the interest of hygiene please clearly label your child's water bottle with their name.

Holiday Activities

What about trying some of the following activities to enhance your child's learning?

- Bake a cake – there's plenty of opportunities for maths – reading scales, how many grams in a kilogram.
- Go to a library, they are full of exciting child friendly activities and ideas.
- Make a shop in your house – a great way for your child to understand money.
- Plant a mini garden – brilliant science.
- Search for 'Kitchen Science ideas' on the internet there are so many interesting experiments that you can do just using the contents of your kitchen cupboards.
- Keep a holiday diary to share when you get back to school.

Building works at school

Work on the front of the school will begin 28th May 2018 (summer half-term) and will be completed by the end of August. Plans are in place to educate KS1 and reception in the hall. We will also take this opportunity to use our grounds to educate the children outside with some Forest School activities.

Road Safety

I would like to encourage all parents to write to their local MP, councillor and Cheshire East Highways regarding the speed of the traffic outside school. These people and agencies have been contacted by the school on several occasions. Cheshire East Highways have visited the school and observed the speed and flow of the traffic and have indicated that they may widen the pavement outside school.

Also, some parents are continuing to park in the restricted area at the front of the school to drop off/pick up their children. This is very dangerous and they need to stop doing this before there is a serious accident.

Fixed Penalty Notices for Unauthorised Holidays

As from 1st September 2017 any requests made for a holiday to be taken in the academic year 2017-18 or thereafter which is not considered by the head teacher to be exceptional in circumstances, will be recorded as unauthorised, and a Fixed Penalty Notice will be issued by the Local Authority.

I hope this clarifies the situation but if you have any questions or queries please contact the head teacher.

School Website

Please do keep an eye on our website. As well as providing lots of useful information and links to helpful resources, we regularly update our galleries and blogs with all the exciting things we have been doing in school. Right now you can see photos of our incredible school plays, our recent carol service and science work from both classes.

Our website address is: <http://bosleyschool.co.uk/>
