

# Bosley Bulletin

*Achievement for All in a Caring Christian Community*

Headteacher: Mr R Barard ♦ Summer 2018 Newsletter 1 ♦ Tuesday 17th April 2018

Dear Parents,

Welcome to the new-look Bosley Bulletin! This new term brings the start of an exciting period for our school including major renovations to the building, a new playground, I Sing Pop and of course our annual Rose Queen celebration.

*Aspire not to have more,  
but to be more.*

*Oscar Romero*

Our big focus this term, and indeed every term, is **aspiration**. As an educator, I firmly believe that children are capable of amazing things. Working hard and doing their very best at school means that children can have a really interesting career once they

leave school. This summer we will have our second **Aspiration Week** - further details to follow!

As always, my sincere thanks to parents for your continued support. I look forward to sharing this exciting term with you all.

# ASPIRATION WEEK

---

We are firm believers in encouraging the children to work hard and do their very best at school. Part of this process is to show them that they could have a really interesting career once they leave school. Therefore we will be having our second 'Aspiration Week' during the summer term.

During Aspiration Week, we invite adults into school who have a range of interesting jobs to talk to the children about how they worked hard and overcame challenges in order to pursue their career. These talks will inspire the children to know that if they work hard at school then they could aspire to also following an interesting career path.

## Bosley Needs You!

**Aspiration week from Monday 18th June**

Do you or someone you know have an inspiring job? Have you overcome adversity to achieve your goals? Have you done something entirely out of the ordinary? Don't be shy, come and share and inspire our wonderful children.

**Coming week  
beginning 21st May...**
