Achievement for All in a Caring Christian Community

Headteacher: Mr R Barard ♦ Summer 2018 Newsletter 13 ♦ Tuesday 17th July 2018

Dear Parents,

It's the Summer Holidays!

I hope you all have a wonderful time wherever you go during the summer break. We open for the Autumn Term on Tuesday 4th September 2018.

On-going building work The gable wall will be completed by mid-August. We have secured grants for new gates and fencing and also for a tarmac court where the scaffolding is now located. We have organised for a trim trail and den making zone to be fitted in the area where the sandpit and blue target ball post are currently situated. The sensory garden is to be developed with funds donated by the PTA. It's a busy and exciting time at

Learning over the Summer Holidays

Of course learning doesn't stop over the summer break. What about trying some of the following activities to enhance your child's learning?

- Bake a cake - there's plenty of opportunities for maths - reading scales, how many grams in a kilogram
- Go to a library, they are full of exciting child friendly activities and ideas—sign up for the summer reading challenge
- Make a shop in your house - a great way for your child to understand money
- Plant a mini garden - brilliant science
- Search for 'Kitchen Science ideas' on the internet there are so many interesting experiments that you can do just using the contents of your kitchen cupboards
- Keep a holiday diary to share when you get back to school
- Play times tables games while you're driving in the car
