

22nd October 2021

I can't believe we have made it to the end of the first half term. It really does not feel like we returned from the summer break over 7 weeks ago. The children and staff have approached the return to school with such positivity, dedication and enthusiasm. I couldn't be more proud of our

Bosley family, they always continue to amaze, impress and inspire me on a daily basis.

## Important dates:

Friday 22nd October  
Break up

Pumpkin Party  
4.30pm-6.30pm

Monday 1st November

Willow class and their  
new reading glasses,  
don't they look fab!

Rose Queen Fete 2021

## COVID...Safety Measures...Update

### Blossom Class:

**ACHIEVE** - Piper

**ACHIEVE** - Ivy

### Willow Class:

**RELATE** - Elise

### Oak Class:

**ACHIEVE** - Eddie

Thank you for supporting our effort in continuing to keeping the school safe and healthy. Cases of COVID -19 remain relatively high in Cheshire East so we would urge you to adhere to the following safety measures if at possible:

**Regular testing:** Those that are eligible should test at least twice throughout the half-term break and just before you return to school on Tuesday November 2nd.

There is also the option of booking a PCR test for children who are unwell without classic COVID symptoms by clicking 'I've been told to get a test by my local council' on the online booking service.

**Household Cases / Isolation:** If someone in your household tests positive, arrange for a PCR test for everyone else, and children should not attend school for a minimum of 5 days.

### Christmas Cards

It might seem a little early for talk of Christmas but your child has been creating his/her own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs. All the children's designs and means of ordering have been sent out via school spider so please check your school spider messages and get your orders in. Thank you to those of you who have already been in touch. If you are having any problems seeing the design on school spider and you would still like to order, please email me at [head@bosleyschool.co.uk](mailto:head@bosleyschool.co.uk)

## Class News

### Blossom Class

A very warm welcome to Phoebe who joined Blossom Class last week.

The children have been exploring the theme of autumn this week, using pumpkins as a stimulus. They enjoyed the story of Pumpkin Soup before taking part in observational drawings, decorating their own pumpkins and even making a delicious pumpkin soup.

What a lot of fun!

P.E. - Thursday

Forest Schools - Friday

### Willow Class

Willow Class have enjoyed all things practical over the past few weeks. Including drawing on desks in maths (!) working collaboratively testing the strength of different magnets and learning new skills during their computing lessons. The children have been using 'Scratch' to design and program their own interactive stories, games, and animations. The children were very proud of what they had created and were very keen to showcase their work.

P.E. - Tuesday

Forest Schools - Thursday

### Oak Class

We had a fabulous day at Chester Cathedral last week. The children took part in a number of activities in the morning including dressing up and experiencing life as a monk, listening to the animated tale of Saint Werburgh and feeling blessed to have someone play a rather grand organ to us.

The children's behaviour was exemplary and the staff at the cathedral commended the children's in depth knowledge.
