Oak Class Residential

### April

**\*Friday 1st\***  
Break up for Easter

**\*Monday 19th\***  
Children back to school

As this half term draws to a close, I feel it is important that we reflect on how well we have all worked together over the past few weeks.

We are so fortunate to have such a dedicated team here at Bosley, everyone has worked exceptionally hard to ensure that the children's safety and continuity of an outstanding education remains our priority.

I would also like to extend my thanks to you as parents for your understanding and support, it means a great deal to us to know that we have great relationships with our families.

Have a good rest and good fun with family and friends over half term, it is well deserved.

## Some lovely news to share...

**Huge Congratulations** to Miss Devlin or as she is now known, Mrs Cole!

Miss Devlin got married last Saturday and we were privileged to be able to spend the day celebrating with her.

I know you will join me in sending Lucy and Joe our love and best wishes for a very happy married life together. Doesn't she make the most beautiful bride!

## Holiday Club

Stuck for something to do over half term?

In conjunction with MASK, Bosley School are delighted to be able to offer a brand new holiday club! If this may be of interest to you, contact Karen on 07713514292 for bookings or more information.

If ever you are in Congleton town and feel like you need some adult support or help, shops

displaying the 'Safe Place' sticker in their window are here for you!

Following a recent incident of bullying, some shops have set up a scheme to offer protection to anyone feeling threatened or intimidated. Congleton Town Council and Congleton Police are supporting the initiative.

The shops will offer you a safe public place to wait and if necessary will call the Police, CCTV or a parent for you. Shops already signed up include Glamorous, Serenity Designs, M & Co, Congleton Information Centre and Congleton Library. More are expected to join. It is hoped that this safety net will not be needed, but felt it was important the Congleton's young people to learn about the scheme and recognise the window sticker just in case they ever need it.

## Things to celebrate this half term:

**Blossom Class:**

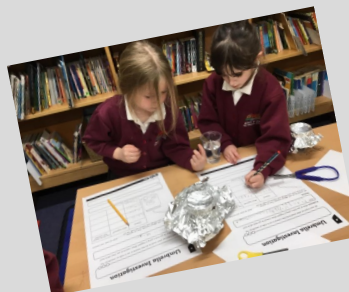

**ACHIEVE**- Seth

**Willow Class:**

**RELATE**- Oliver

**Oak Class:**

**ACHIEVE** - Joe

## Class News

### Blossom Class

Blossom class have been full of love and friendship this week.

Reception and pre-school have been talking about the people who are special to them and why we love them. They created beautiful valentines cards and some delicious jam tarts.

Miss Forbes and Mrs Fisher have certainly felt the love too after receiving their Valentines Cards from Blossom class.

### NEW PE AND FOREST SCHOOL DAYS

P.E. - Wednesday

Forest Schools - Thursday

### Willow Class

Willow class would like to welcome Amelie, Lacey and Sophie to their class. The girls joined Bosley this week and have settled extremely well, making great first impressions and lots of new friends already.

The children have been working hard on their D&T project where they designed and made a clay Egyptian Cartouche, each inscribed with their name in hieroglyphics.

### NEW PE AND FOREST SCHOOL DAYS

P.E. - Thursday

Forest Schools - Friday

### Oak Class

Pewter casting was the highlight of Oak Class' Forest School session this afternoon. The children worked with cuttlefish bone and clay to make moulds into which molten metal was poured, after the children had melted the pewter pellets over our fire using a iron casting ladle. This links beautifully to their 'States of Matter' Y4 Science topic. As usual, the children enjoyed exploring, creating and warming by fire!

### NEW PE AND FOREST SCHOOL DAYS

P.E. - Tuesday

Forest Schools - Thursday
