Year 6 SATS week

Since coming back after half term, the children have settled back to their learning with commitment and enthusiasm.

Our first week back ended with fun and excitement as we celebrated World Book Day in school. It was fantastic to see all the children and staff dress up as their favourite character from a book. Children also enjoyed afternoon tea (and cake!) whilst sharing their favourite books with one another.

### Red Nose Day 2022

On Friday 18th March we will be dressing up and celebrating Comic Relief. If they wish, children can come to school dressed in red and/or white.

We would like to ask that you send your child in with a monetary donation so that we can do our bit to help people live free from poverty, violence and discrimination. Money raised this year will include funding organisations that are supporting people right now in Ukraine, and those attempting to cross the border to seek safety.

From Monday 14th March, we will also be selling Red Noses for a £1.50 so if your child would to purchase one, please send them into school with the correct money. The Red Noses will be for sale at first break each day next week.

### Oak Class Clarinet Concert

We would like to invite the parents/grandparents of children in Oak Class to come along to a Clarinet Concert next Friday at 9.30am. The concert will be held in the school hall. The concert will be recorded so can be sent out to any families who are unable to make it on Friday.

### BB Club

A reminder for booking onto BB Club...Please continue to book your child's place and pay via school spider but also contact Rachel on 07785 186159 to let her know your child will be attending.

### Sports After-School Club

Due to us having a number of different coaches come into school to teach different elements of P.E. I would just like to let you know that from week commencing 21st March, our sport provider can only accommodate an after school sport club on a Tuesday each week. Please book this club via school spider.

Apologies for the inconvenience this may cause. We will of course review this in the summer term.

### Parents Evening

We will be setting up a booking system early next week, communication will be sent out via school spider.

Pre-school parents evening will be held after Easter, Miss Forbes will be in touch after the holidays with dates and times.

## Become a School Governor

The school's governing board is responsible for providing confident and strategic leadership, and creating robust accountability, oversight and assurance for the school's educational and financial performance. Our governing board is passionate about education and committed to continuous school improvement to ensure the best possible outcomes for our pupils.

### The role of a parent governor

As a parent governor, you'll work with the board to make sure it effectively carries out the duties referred to above. You'll also play a vital role in bringing a parental perspective to the governing board, but you're not there to speak 'on behalf' of the parent body.

To be a parent governor you should have:

- A strong commitment to the role and to improving outcomes for children
- Good inter-personal skills, curiosity, and a willingness to learn and develop new skills
- The specific skills required to make sure the governing board delivers effective governance

### Preferable skills and competencies

Governors do not need any formal qualifications but must be aged 18 years and over.

If you have a passion for improving the life chances of the children at Bosley St. Mary's and can offer supportive challenge to the leadership of our school to help us to fulfil our vision, please contact Miss Rippon on 01260 223280 or via email at [head@bosleyschool.co.uk](mailto:head@bosleyschool.co.uk) who will provide you with all the necessary paperwork for you to be able to stand for election.

## Class News

### Blossom Class

Year 1 have been busy with their observation drawings this week as they start to learn about their new topics of plants.

The pre-school and reception children have been exploring different seeds where they have been discussing the size, shape and texture. They too created observational drawings of a seed labelling them using adjectives to describe each seed.

#### PE AND FOREST SCHOOL DAYS

P.E. - Thursday

Forest Schools - Thursday

### Willow Class

Oak Class have started their new DT topic which links well with their learning in Science.

They have explored and evaluated the use of greenhouses, why they are used, focusing specifically at the structure of how they are made.

Over the next few weeks they will be designing and making their own greenhouses as well as planting, cultivating and tending to their own plants.

#### PE AND FOREST SCHOOL DAYS

P.E. - Wednesday

Forest Schools - Friday

### Oak Class

Oak Class are in the final preparations of practicing for their clarinet concert next Friday.

They have worked exceptionally hard each week as they learn to read music and play a number of different tunes ready to showcase their new skills to their parents and to the rest of school.

We can't wait!
