Children back to school

Friday 17th
Sports Day

Saturday 25th
Rose Queen Fete

July

Friday 1st
Reserve Sports Day

Tuesday 7th
Cricket Festival @ Pott
Shrigley

Our Governing Body

I am delighted to announce that Clare Calveley has been re-appointed as parent governor. Clare has been a valuable member of our governing body previously and we know that the skills and experience she brings will continue to benefit the school in many ways.

Cake, stay and play

The PTA would like to invite all parents and children to stay after school on Friday 13th May. This will be a lovely event for parents to stay and chat and eat cake! whilst the children play. We hope as many of you as possible can make this date.

The Queen's Jubilee

To commemorate the Queen's Platinum Jubilee, we are creating a display in school. All children will be involved in making the display but we

need your help...we need:

- 2nd class stamps
- 1p coins
- 5p coins

To create a fabulous collage of HRH The Queen.

We are also planning to hold a playground party on the last day of term, Friday 27th May, to celebrate the day. Children will be presented with a small gift to further commemorate the occasion.

School Absences

Please can I remind you to inform school at the earliest possible opportunity if your child is going to be off school. You can call the office on 01260 223280 or email admin@bosleyschool.co.uk to report any absences.

Thank you!

Gentle Reminder

Please can the children refrain from using the playground equipment at the end of the school day. We appreciate that the children would like to play together while the weather is fine but we want to prevent any unnecessary accidents from occurring after school.

Thank you!

SATs Breakfast Club

We would like to invite our Year 6's to join us for breakfast during the week of SATs. There is no obligation to come but if your child would like to join us, then please come to school for 8.30am during the week of the 9th May.

Have a wonderful Bank Holiday weekend, see you all on Tuesday.

We have been focussing on our value of **Serve** this week.

Frankie

Willow Class:

Leo

Oak Class:

Matthew

Our Governing Body

Our Governors come from a range of backgrounds, and bring different areas of expertise to the school. Governors contribute to ensuring high standards of achievement for all children in the school by:

- setting the school's vision, ethos and strategic direction;
- holding the Headteacher to account for the educational performance of the school and its pupils;
- overseeing the financial performance of the school and making sure its money is well spent.

A Governor's role is to support and challenge the senior staff to continue to improve the school. It is largely a thinking and questioning role and Governors are not there to manage the school or do the jobs of school staff.

Governors fulfill their role by regularly attending Governing Body meetings, providing strategic guidance and by asking probing and challenging questions of leaders within the school.

We are very fortunate to have such dedicated governors at Bosley St. Mary's Primary School. For more information on members of our Governing Body please [click here](#).

Class News

Blossom Class

Thanks to the glorious weather we have been blessed with this week, the children in Blossom Class have enjoyed taking their learning outside.

From messy play with shaving foam to creating addition and subtraction games with homemade skittles.

There is an array of colour on the playground too where the pre-school children have been using chalks to learn their letters!

PE AND FOREST SCHOOL DAYS

P.E. - Thursday

Forest Schools - Friday

Willow Class

Willow class have been using their investigative skills in Science this week.

They have been looking at the features of plants and flowers, predicting what would happen if the roots were submerged into food colouring.

After setting up the experiment today, the children are excited to see the results on Tuesday!

PE AND FOREST SCHOOL DAYS

P.E. - Wednesday

Forest Schools - Thursday

Oak Class

Congleton Town Council is working on a Green Calendar and have invited school children to take part.

The idea is to encourage people in Congleton to help reduce their carbon footprint by picking on a main topic a month...this month the children will be focussing on the LOVE FOOD, HATE WASTE campaign.

Mrs Scragg visited Oak class to explain to the children what the school does to reduce food wastage and from this the children thought of ideas on how we can reduce the carbon footprint at school further.
