

FRIDAY 9TH JUNE 2023

BOSLEY ST. MARY'S CE PRIMARY SCHOOL

I can do all things through Him who strengthens me

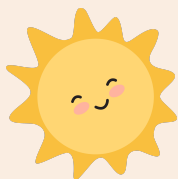

Oak class under a very LARGE Oak tree

I have missed seeing the children in school this week but had a lovely catch up with them in the sunshine over lunch today.

Over at Petty Pool, Oak class had a fabulous time on their residential. The children's behaviour, energy and enthusiasm has been terrific; they were a pleasure to be away with.

A big thank you to Mrs Smith and Miss Harrison for giving up their time so generously and working extremely hard to provide such enjoyable and memorable experiences for our children.

NEWS

Long range weather forecast

We certainly have been blessed with glorious weather for over two weeks now. The forecast looks like it is set to stay too so please can you send your child into school with a sun hat and suncream so that they are well protected during the times they are outside.

Drinks

We have noticed that a couple of children are bringing fizzy drinks into school as well as re-using energy drink bottles as water bottles.

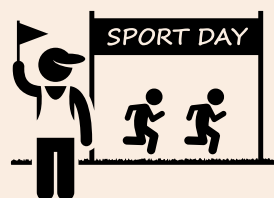

Water is a healthy and cheap choice to keep the children hydrated, especially during these warmer days so we kindly ask that the children only have water in appropriate water bottles.

Many thanks for your support with this.

Sunday 25th June-Family Service

Please put this date in your diary!

Bishop Mark will be joining us for our Family Service on Sunday 25th June. Some of our children will be singing and reading prayers for the service but even if your child isn't involved, we would love to see as many of our families there to give Bishop Mark a warm welcome to our community.

Sports Day

On Wednesday

21st June our children will be taking part in our annual Sports Day. The day will be led by Kick Start.

Times will be as follows:

9.15am - Blossom Class

2pm - Willow and Oak Class

You are very welcome to join us. The PTA will be selling cakes and refreshments.

Parent Survey

Thank you to those parents who have completed the parent survey. Currently, we only have 12 responses so if you could just spend a few minutes completing the form, we would be very grateful.

Please see the message on School Spider.

Next year

We are hoping to confirm the staffing for September in the next week or so as staff are busy preparing for the children's 'moving up' days.

From Monday 3rd July, children will be spending much of their time in their new classrooms, with their new teachers. More details to follow.

CLASS NEWS

Blossom

Blossom class have been preparing for their special Adventures with Rex picnic which is taking place on Monday 12th June.

Last term, Blossom class took part a six week project where the children had the opportunity to develop their musicianship skills through a range of singing and instrumental activities.

They will be taking part in a showcase concert and enjoying a celebratory picnic at Congleton Park.

You are all very welcome to join us.

Willow

The children in Willow had the best Forest School day with Mrs Brassey on Thursday. The children spend their happiest moments outside and this week Ellie in Year 2 told me how much she loved making monsters out of wool after she enjoyed making hay monsters a few weeks ago.

Oak class

What a week...from archery (and a couple of bullseyes!) to zip wires, crate stacking to canoeing and raft challenges. We even had an extended night time forest adventure until the sun set. Memories of Petty Pool 2023 will be some of the happiest Oak class children will cherish.

We took so many pictures so please head over to our facebook page to see exactly what the children (and staff!) got up to!

My favourite picture of the week though...
