

# BOSLEY BULLETIN

I can do all things through Him who strengthens me.  
Philippians 4:13

It was a pleasure to share our future plans with parents earlier this week. We are all committed to our vision of 'Every Learner Flourishing' and our strong belief as a school is that we can only ever achieve that in partnership with you. The timing of the event meant not all families could attend and it's important that we find ways to keep families up to date. If you are interested in attending an evening webinar about our future plans then please [click here](#).

Our parents' survey at the end of last year was overwhelming positive with useful for ways for us to improve. Communication was one area, as was the provision of after-school clubs. I am committed to getting full wrap-around care in place but as an interim measure, we are delighted to be able to offer two new clubs from next week. As well as more opportunities to be active at school, we have also arranged sporting fixtures throughout the year - more details coming soon.

Best wishes for the weeks ahead,

# OUR CLASS NEWS

## BLOSSOM

This week we have met the Avocado baby who is a little different to normal babies. He is very strong and very green. We made him a monster truck because we thought he would like it.

We were very excited to find a frog in our outdoor area and have been making bug hotels in forest school.

## WILLOW

Willow class have been learning about what people needed to do to survive during the Stone Age. We have used ideas from our English text (Stone Age Boy) to role play ideas. We even made real spears during the Forest school session!

During RE everyone has made beautiful books giving information about the Bible.

## OAK

In English, we have been learning about prepositional phrases and relative clauses and then using our knowledge of these within a setting description, which was inspired by 'Marshmallows', a short film clip. We have been looking at timelines in history; specifically, where Ancient Greece appears in relation to other periods of world history.
