

17TH NOVEMBER 2023

BOSLEY BULLETIN

I can do all things through Him who strengthens me.
Philippians 4:13

Our school's Remembrance Service was truly beautiful and moving. I would like to extend my heartfelt thanks to all those involved. It was a poignant and respectful tribute to those who have made sacrifices for our freedom.

I am pleased to inform you that we have been reviewing our new scheme of handwriting, and while it is still early days, we are already seeing positive results. Many children have expressed their pride in their improved handwriting, with one student even saying, "I know my writing is good because it looks like the teachers'!" this is a testament to the hard work and dedication of both our students and teachers.

I would like to take this opportunity to congratulate two members of our staff. Firstly, Miss Willis has secured a new role at our sister school, Wynbunbury Delves. We wish her every success in her new position. Secondly, I am delighted to announce that Miss Harrison has been signed by Wolves Women's football club. We are incredibly proud of her achievement and wish her all the best in her sporting career.

Looking ahead, we have many exciting events and activities planned over the next few weeks. Please refer to the newsletter for further information, including important dates and details.

Thank you for your continued support and involvement in our school community. Together, we can ensure that our children receive the best education and opportunities possible.

With best wishes,
Rebecca Hadfield
Headteacher

OUR CLASS NEWS

BLOSSOM

Blossom class have been celebrating world nursery rhyme week, with lots of different nursery rhymes linked to water. They have made rain gauges and jumped in muddy puddles at forest school.

WILLOW

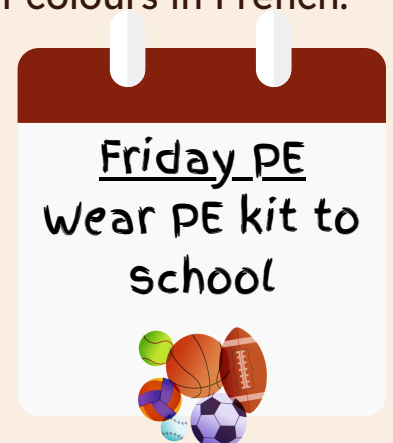

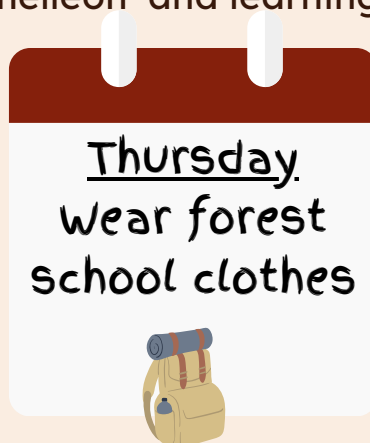

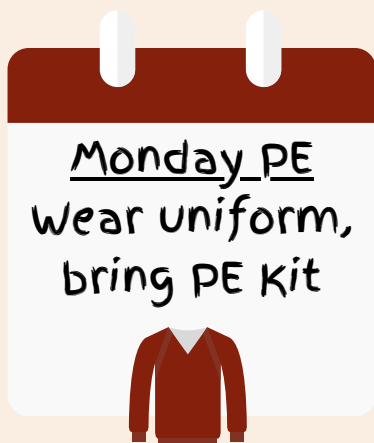

Willow have linked our RE focus on the Bible to our Art work. We have produced some exquisite 'Illuminated letters' using water colour paints to reflect how texts were produced before printing was available. We have also tried using dipping ink pens just like monks would have used.

OAK

Oak Class has been researching ancient Greek pottery this week. The children recorded patterns in their sketchbooks, ready to incorporate in their final pottery design, which they will create in clay, later this term.

The children have been singing 'Leon Le Chamelleon' and learning lots of colours in French.

SCHOOL TRIPS UPDATE

We're fast approaching the busiest time of the year and have already sent our lots of information about our upcoming school trips. This handy list will help you keep track.
