

FRIDAY 3RD MAY 2024

# BOSLEY BULLETIN

I can do all things through Him who strengthens me.  
Philippians 4:13

Dear Bosley Family,

It's been a wonderful couple of weeks at Bosley St. Mary's, and I'm delighted to share some exciting updates with you all.

First and foremost, let's celebrate our incredible students! We recently received many heartwarming reviews on our Facebook page, and the staff and I are truly grateful for your kind words. Your support means the world to us, and together, we can help every child flourish in our nurturing environment.

Speaking of flourishing, our Year 1 and 2 students demonstrated remarkable resilience and sportsmanship at the indoor athletics competition held at Tytherington High School. While we didn't bring home any medals, their enthusiasm and encouragement for their peers were truly inspiring.

Looking ahead, we have some exciting events on the horizon. Mark your calendars for our first annual art exhibition at St. Mary's the Virgin Church, Bosley, where our talented students' work will be showcased alongside local artists. More details are later in the bulletin and we hope to see you all at the launch party!

Additionally, preparations are underway for the annual Rose Queen Village Fete and Fell Rose. This year, our children are invited to participate in a flag parade before the official opening of the fete. Keep an eye out for the poster and more information in the coming weeks.

Finally, a special note for our Year 6 students: the SATs are just around the corner. While this is an important milestone marking the end of their primary schooling, it is only a small part of their educational journey. We are incredibly proud of each and every one of you, and we wish you all the best.

Thank you for your continued support and partnership in your child's education.

Warmest regards,

Rebecca Hadfield  
Headteacher

# Our Class News

## BLOSSOM

Blossom Class have been thinking about 'special places' in RE. Together, we have been discussing special places at home and in the wider community. We decided these special places can bring us joy, calmness and fun. Year 1 continued their learning with Willow Class and visited Bosley Church.

## WILLOW

Willow class visited Bosley Church to find out what special features it has. We have been drafting persuasive pieces of writing to encourage people to visit. On Wednesday we enjoyed an afternoon tea party. This was the introduction to our new class text- 'Cloud Tea Monkeys' It gave us an excuse to bake and eat delicious scones as well as sample a variety of teas.

## OAK

This week, Oak Class had great fun demonstrating the movement of tectonic plates using Oreo biscuits! In Science, we have been learning about the lifecycle of a butterfly. We currently have five rapidly growing caterpillars in our classroom and we are looking forward to seeing the stages of metamorphosis progress.
