BOSLEY BULLETIN

I can do all things through Him who strengthens me.
Philippians 4:13

Well done Year 6!

News and Updates

Dear Bosley Family,

This week has been a whirlwind of activity! First and foremost, I'd like to extend a massive congratulations to our Year 6 pupils who tackled their SATs with such fantastic spirit. Their hard work, tenacity, and determination were truly inspiring. They met every challenge with a smile, and their cheerfulness throughout the week was a joy to see. A huge thank you must also go to Mrs. Smith, who, in addition to being a fabulous teacher, has apparently become known for making the best breakfasts in Cheshire - a crucial ingredient for a successful SATs week, I'm sure!

As I write this message, Oak Class are neck-and-neck with students from other local schools in an archery tournament. They're demonstrating fantastic skill and focus, and we eagerly await the final results!

On a separate note, an important reminder regarding parking: please use the designated layby whenever possible. Parking in other areas, especially on the yellow zig-zag lines outside school or on the pavement, creates a safety hazard for pedestrians, particularly our younger students.

Also, a quick reminder that nail varnish is not part of the school uniform.

Now, for some exciting news! The children's artwork will be showcased alongside the work of local artists in an exhibition at St. Mary the Virgin Church in Bosley. Join us for the launch event immediately after school on Wednesday - it promises to be a fabulous event, and a wonderful opportunity to celebrate our students' creativity.

Looking ahead, the Rose Queen and Village Fete is just around the corner (more details in this newsletter, including fun competitions to get involved in!). I look forward to seeing many of you there.

Warmest Wishes,

Rebecca Hadfield
Headteacher

Our Class News

BLOSSOM

Blossom Class have been busy exploring maps this week. This is linked with our 'journey' theme. We have been busy making treasure maps with playdough, observing the local area on maps and finding symbols, creating our own maps with paints and pens, and using Bee Bots to plan routes.

WILLOW

We have been making objects to keep in our mini Science boxes. These are all connected to 'Pollination and Seed Dispersal.' Some examples are: a felt rabbit with piece of hessian stuck to him (this represents a bur) a fabric bird with pollen (curry powder) and a pea pod with peas (hole punched circles) They are super cute and a great aide memoire!

OAK

There has been great excitement this week as our first butterfly has emerged from its chrysalis. The children are observing the remaining chrysalides in anticipation of the next magical moment of emergence!
